The Fenians Concentrating.

A Movement Expected to-night

THE LEADERS ON THE WATCH.

Arsenal Guarded.

Special from Our Own Correspondent.

BUFFALO, June 14, 5 p.m.

The Fenians are concentrating for a grand movement on Canada.

Some say that the blow will be struck to-night.

Meetings have been held nightly, and the leaders are moving about the city in a suspicious manner.

The arsenal in this city is now guarded by militia.

A home guard, in fact, is on duty, showing that the Government expects some movements to-night.
